DOCUMENT 267/75

MOTION FOR A RESOLUTION

tabled by Mr LEENHARDT

on behalf of the Committee on Economic and  
Monetary Affairs

with request for an immediate vote  
pursuant to Rule 47(4) of the Rules of Procedure

following the debate on the oral questions  
(Doc. 244/75 and Doc. 245/75)

on the adoption of a new directive on state aid  
to the ship-building industry without the  
consultation of the European Parliament

The European Parliament,

- having regard to the questions put by the Committee on Economic and Monetary Affairs to the Council (Doc. 244/75) and the Commission (Doc. 245/75) on the adoption of a directive on state aid to the ship-building industry without the consultation of the European Parliament and justification therefor,
  - having regard in particular to the answer given by the representative of the Commission and the ensuing debate,
1. Instructs its Committee on Economic and Monetary Affairs to look into and draw up a report on the structural and competition policy aspects of state aid systems for the ship-building industry in the Community in view of the particular economic importance of this sector of industry;
  2. Instructs its President to forward this resolution for information to the Commission of the European Communities.
